

CHAPTER VIII
TRAFFIC CONTROL DEVICES

Missouri Department of Transportation

D-28
Sign Design Order Form

TO: Larry Thompson
Sign Shop Supervisor

FROM: Eric Landwehr
Transportation Project Designer

DATE: October 7, 2003

SUBJECT: Route I-70, Boone County
Job No. J5I0789
Route I-70/63 Interchange Improvements

SIGN ORDER FORM CHECKLIST

 x The project's Signing Location Plans are attached.

 x On the Signing Location Plans, all signs have been identified that are ground- or overhead-mounted and whether existing structures are used.

 x On the Signing Location Plans, all signs have been identified that have size restrictions due to truss mountings or roadway features, etc.

Requested date for the sign details to be returned: 10/22/03. Typically, allow ten working days for details to be prepared.

Contact person's telephone and email: (573) 526-6996
